

## **BlueMount Capital Group Expands to the UK**

We are pleased to announce the extension of our network with the incorporation of BlueMount Capital (UK) Ltd, bringing into the BlueMount Capital group an international team of highly experienced fixed income experts.

This is an important day for our organisation and one that ensures we remain highly competitive to our clients by providing fixed income products and gaining representation in a major capital market.

The Chairman of BlueMount Capital (UK), Stuart Gordon, will join the BlueMount Capital group's board. Mr Gordon said BlueMount Capital (UK) is looking forward to broadening the reach of the group geographically and providing an expanded range of financial products and services.

Dr Saliba Sassine, the Chairman of BlueMount Capital in WA, said that the existing close working relationship between the UK principals and BlueMount Capital will make for a seamless transition and an improved service offering.
