

OCULAR ROBOTICS LIMITED (ASSOB: OCR)

- **Simultaneous Impressive Displays by OCR's Japanese Distributor ViewPLUS Inc.**

Ocular Robotics' distributor in Japan, ViewPLUS Inc. had an impressive display of the company's products at the [Image Sensing Show](#) (ISS 2016) held in Yokohama recently and simultaneously at [Robomech 2016](#) also in Yokohama. We value their commitment to the RobotEye range of products and wish them continued success in the Japanese market.

ViewPLUS Booths at ISS2016 and Robomech 2016 with Live Displays of OCR's REV25, REHS25 and RE05 Products

Mark Bishop - Director, CEO
