

Funding Strategies

15th March 2019

Funding Strategies granted Australian Financial Services Authorised Representative

On behalf of the team at Funding Strategies, I am delighted to announce that we have been authorised to represent Nextec Corporation's AFSL 230680. This means that the Company has more flexibility in providing services to both investors and issuers.

Our Corporate Authorised Representative is [Stephen Varty](#) (pictured right). Originally from South Africa, Stephen has an economics background with strong financial industry focus. He specialises in equity and financial securities markets as well as other financial instruments. Stephen has completed his RG146.

About Funding Strategies

Funding Strategies is a capital markets firm providing venture equity capital and finance services to small business and companies seeking capital for growth and expansion in the unlisted and pre-IPO capital markets.

We specialise in creating and implementing successful funding and capital raising strategies for issuers, and provide investment opportunities in the high growth alternative asset space for investors.

We serve predominately private and public companies, and sophisticated investors, with a broad range of services.

- Funding Strategies and Investor Ready Services
- Equity and Debt Capital Raisings
- Small Scale Offerings and Venture Capital
- Grant Funding
- Migration linked investment
- Mergers, Acquisitions and Divestments
- Strategic Trade Sales
- Technology Commercialization
- Providing Opportunities for Investors
- Director and business advisory services
- Investment management
- Fund management services
