OPMANTEK NAMED AUSTRALIAN ICT EXPORTER OF THE YEAR, CONSIDERS A GROWTH FOCUSED CAPITAL RAISE

Monday, 15 December 2014

Opmantek Ltd (ASSOB: OMK) has been recognised as Australia's leading exporter of ICT products at the Australian Export Awards.

Now in its 52nd Year, the Australian Export Awards recognises and honours innovative Australian companies engaged in international business.

Judges commended Opmantek for developing a disruptive product in an intelligent manner that has tapped into a rapidly growing global market. Opmantek now have a customer base of 55,000 businesses spanning 130 countries worldwide. Every 6 minutes, somewhere in the world, a new organisation implements an Opmantek product.

"This win is recognition of how far Opmantek has progressed as a business." says Danny Maher, CEO, "We have been steadily building our reputation as a market leader overseas and because of that we are now in a position to be able to take on the big US software firms."

Opmantek has an enormous amount of customer activity and is currently considering the best way to maximize growth and the role of further capital during this phase of high growth. Interested investors are urged to contact Bluemount Capital.

2014 has seen Opmantek enjoy plenty of time in the spotlight, with the company also winning an iAward for innovation, being named Queensland ICT exporter of the year, and receiving the Gold Coast Mayor's award for Business Excellence.
