## OCULAR ROBOTICS LIMITED (ASSOB: OCR)

- **Ocular Robotics Featured in Resources Industry Journal**

In the January issue of the resource industry journal 'Resource in Focus' Ocular Robotics was the subject of a feature article which described the company's path to its current point, its relevance to the resource sector and future potential. The Company thanks the publishers of Resource in Focus for their recognition of the relevance to and potential for the Company's technology to play a key part in the wave of robotics and automation now sweeping through the resources and many other industries.

The article can be found here: <http://www.resourceinfocus.com.au/mag/RIFAUJan2014/#?page=20>

A handwritten signature in black ink, appearing to be "MA", written over a horizontal line.

Mark Bishop - Director, CEO
