

Urban Xtreme is Australia's only ski and adventure park and the only place you can ski and snowboard in Queensland.

We have nine activities all under the one roof including: Skiing, Snowboarding, Ninja, Parkour, Dodgeball, Trampolines, Laser Tag, Inflatables and Playland. Perfect for all ages and abilities!

We are a family run start-up business designed to entertain and exercise adults and children while reinforcing good social skills in a group active environment that promotes health and fitness. We are devoted to the physical, emotional and social development of adults and children – providing a place where you can discover ***the fun in fitness through adventure.***

Bring your family down these School Holidays for a fun, active day out!
