Helio Lending has been in attendance at the Asian Financial Forum in Hong Kong, represented by Joseph Buccheri from IMPEX Lawyers as legal advisor.

We have had a very busy week so far meeting with many interested and potential partners. The forum has been a great platform to introduce Helio to the worldwide market.

We are pleased to introduce the team at Nexchange who have invited Helio to be represented at the Hong Kong Blockchain week in March.

We have also met with a number of other interesting businesses including,

- FinEx Asia
- Cyberport
- T3 Labs
- Cumberland
- HKTDC
- and many more...

Another exciting opportunity, Helio met with the team from CW CPA in Hong Kong to facilitate and help us to set up a structure to represent Helio in Hong Kong.

Yours Sincerely,

John O'Shea, Founder & CEO, Helio Lending
