

DATE: 17th September 2020

**LIGHTHOUSE DIGITAL APPROVED TO LIST ON UNLISTED SECURITIES EXCHANGE
("USX")**

Lighthouse Digital Limited is pleased to advise that it has been approved by the board of Unlisted Securities Exchange ("USX") to list the shares in LHD Group Limited on the USX under the ticker "LHD", with trading approved to start on the 12th October 2020.

Says Lighthouse Digital CEO Ian Bailey, says, "This is a major step forward for the LHD group as it gives us the opportunity to further develop and grow the business, bring in additional capital and add shareholder value."

The Unlisted Securities Exchange (USX) is a cost-efficient and simple share trading platform for small to medium sized companies to provide liquidity and keep their shareholders informed and operates in several distinct markets for equity and debt securities.

Trading in securities quoted on USX is undertaken via approved Brokers. Current Issuers include Bluesky Meats, Rangatira, SilverFern Farms, Skyline Enterprises, Syft Technologies, Zespri and the total market capitalisation of its Issuers is approximately \$2.9b.
